## 100th ANNIVERSARY CELEBRATION

Lots of chattering...Lots of laughing...Lots of pictures.... All add up to a great time! Over 270 alumni and their guests enjoyed the 100th Anniversary Celebration on August 8, 2009 at the Kemper Banquet Hall. Alumni traveled from as far as Oregon, Montana, Texas, Arizona and Florida for the chance to tour the current school and reconnect with old friends. See the pictures on the following pages. Thanks to all who came, helped plan the anniversary, and worked at the event!

## Historical DVD and CD...

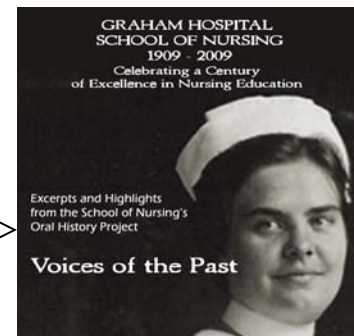

In honor of the 100<sup>th</sup> anniversary of the School of Nursing, we now have two items available for purchase. A 2 disk CD set (audio only) of excerpts and highlights from the school's oral history project includes either the answer to a specific question or a story from each of the 78 alumni interviewed for the project. The DVD is a history of the past 100 years of the GHSON that includes digital images from the library's historical collection, audio clips of highlights from previous histories and video clips from the oral history project. Both are available from the School of Nursing Library for \$6.00 each.

Please use the enclosed order form to place your order.
