The Graham Hospital School of Nursing Group is for current students, faculty, and alumni. The purpose of the group is to provide professional networking opportunities for members; announcements of job openings; discussion of professional nursing issues; announcement of alumni events; and announcement of professional nursing continuing education events in central Illinois.

Graham Hospital and the School of Nursing are located in the southwest portion of Canton, Illinois, approximately three blocks from the downtown business district. The Hospital and School were both chartered in 1909 and have been in continuous operation since that time. The three year diploma RN program is accredited by the National League for Nursing Accrediting Commission and is approved by the Assembly of Hospital Schools and the Illinois Department of Financial and Professional Regulation.
