### Alumni Updates

**Class of 1973... Donna (Blakey) Jagers** sent a short note to update everyone since graduation. Donna has worked her entire nursing career at Perry Memorial Hospital in Princeton, Illinois. She currently works as an operating room nurse and manages the four room O.R. at Perry. Donna lives in Wyanet, Illinois with her husband of 34 years, Kerry. She has 2 children, Shannon and Jason, and 4 grandchildren.

**Class of 1978... Cindy Brown** recently accepted the position of Nurse Educator at Graham Hospital. Cindy has been a member of the Graham team for 32 years. While at Graham, Cindy has worked in various units including Med Surg, ICU, ED, and HME.

**Class of 1984...Christine (Kelly) Befort** was named as a finalist for the Western Mountain Region Nursing Excellence Award for 2007 in Clinical Care. Christine wanted the school to know about this honor because she says "my education at Graham was the foundation for all my achievements in the field of nursing to this day." Christine currently lives in Arizona where is employed at Mayo Clinic Arizona (MCA) as the Apheresis Team Leader for the BMT/Cellular Therapy Program. She was recruited in 2003 by MCA to develop the stem cell collection program for MCA and Phoenix Children's Hospital. The program has been very successful and was FACT accredited this past year. Christine travels between the hospitals managing the quality control area of the collection program and perform stem cell collections on children in need of blood and marrow transplants. "Although it took me many years to find my niche in nursing," Christine says, "I have always enjoyed whatever I was doing. My knowledge gained during my 3 years at Graham has helped me immensely throughout my career. I still remember Mrs. Rose teaching pediatrics and to this day I am still able to recall much of the information she taught me when working with children." Christine will receive her BSN in December 2007.
